

Nancy Vogel

District Manager

nancyv@fishkind.com

PROFESSIONAL SYNOPSIS

Since joining Fishkind & Associates in 2008, Ms. Vogel has utilized her extensive business experience in management, government compliance, project administration, and client relations in her capacity managing 19 special purpose governments, also known as Community Development Districts.

Ms. Vogel supports the activities of the governing boards of each CDD relative to meeting process and statutory responsibilities. Ms. Vogel is the on-site manager in charge of the CDDs that comprise the master-planned community of Tradition-Florida which includes the Florida Center for Innovation, the Torrey Pines Institute for Molecular Studies, and the Oregon Health & Science University's Vaccine and Gene Therapy Institute (VGTI).
